Ref: Your reminder No. AFD 4821/57 dated 15-7-59.

I enclose a cop-y of letter No. VIII/FOP/SFL/1255 (154)60-61 dated 9-5-60, from the Conservator of Forests, Belgaum Circle along with the connected papers on the above subject for kind perusal.

According to Bombay Government Resolution No. FDM 1055 of 3-10-55 the Forest areas granted for cultivation on Agri-silvi System to the scheduled tribes, scheduled castes and other tribes of nomadic type and which are under cultivation during the 3 previous years or more should be converted as "In Forest cultivation plot" provided conditions mentioned therein are fulfilled. The Mysore Government in their order No. AFD 73 DAR 57 dated 25-4-57 have extended these concessions to lessees belonging to other communities. The cases of the applicants referred to ~~the~~ in statment I and II of the file, Sl. Nos 1 to 30, come under the purview of the Government orders referred to above. Hence the Conservator of Forests recommends to convert these areas as "In forest settlement plots". But in the case of lessees referred to at Sl. No. 31 to 41 the lands granted on Agri-Silvi System if converted as Inforest cultivation plot would exceed their economic holdings. However, inview of the fact that they have taken pains to bring the lands under cultivation by spending about Rs. 200/- each and are in occupation of the lands for the last 9 or 10 years he recommends to convert these areas also as Inforest settlement plots and grant them infavour of the ~~dm~~ respective lessees relaxing the

Copy of letter No.VIII/FOP/GFL/1255(154)-60-61, dated May 1960. from the Conservator of Forests, Belgaum Circle, to the Chief Conservator of Forests in Mysore, Bangalore.

Subject:- Continuance of Forests lands granted to the Lamanies of Gulbal Tanda District Bijapur.

Reference:- Your No.B3-C1-1836/58 of 28/31-7-1958.

In enclosing herewith copies of the marginally noted letters from the Sub-Divisional Forest Officer, Bagalkot, I have to report that an area of 79 acres and 25 guntas from F.S.Nos.67,68,81, 82 and 66 part of Jadramkunti was granted to the Gulbal Co-operative Society of Bagalkot Taluka on Agri-Silvi terms in 1950 for a period of 3 years ending 15th January 1953 and further continued in their possession as per Government orders reported by the Sub-Divisional Forest Officer under his No.FOP/GFL/26 of 23-4-1960. The Government of Bombay, Agriculture and Forest Department, in their Resolution No.FDM-1055 of 3-10-1966 have directed that the forest areas granted for cultivation on Agri-Silvi basis to the Scheduled tribes, Scheduled castes and other tribes of nomadic type and which are under cultivation since the last 3 years or more should be converted as 'Inforest Cultivation Plot' if the conditions mentioned therein are fulfilled. The Government of Mysore in their G.O.No.AFD-73-DAR-57 of 25-4-1957 extended the concessions to all other classes of lessees.

1) C/1136 of 4/6-2-1959.
2) FOP/GFL/26 of 23-4-60

2. The cases shown in statement I (i.e.S.No.1 to 11) accompanying the Sub-Divisional Forest Officer's letter No.C/1136 of 4/6-2-1959 comes under the purview of G.R. No.A & F.D.No.FDM-1055 of 3-10-1955 and the Statement II S.Nos.12 to 30 under G.O.No.AFD-73-DAR-57 of 25-4-1957 and are available for conversion as 'Inforest Cultivation Plots'. But in the cases S.Nos.31 to 41, the lands granted on Agri-Silvi terms if converted as Inforest Culltivation in favour of the lessees would exceed their economic holdings. The Sub-Divisional Forest Officer reports that since these lessees have taken pains to bring the lands under cultivation by spending approximately Rs.200.00 each and are in possession for 9-10 years, it is desirable that the land granted to them too be converted into Inforest cultivation Plot. I agree with him and request you kindly to obtain Government Orders relaxing the restriction of economic holding and communicate to me for further action.

3. The partinent Agri-Silvi lease, statement of the lessees, panchanama, reports of the Talati and Police Patil are submitted herewith for reference and favour of return.

No extensions of the lease periods of the leesees in respect of the forest lands granted on Agri-Silvi system were got sanctioned after the period of the leases and no supplements were got executed by the lessees as is seen from the records. But however the land in question is continued to be in possession of the lessees as per the following Government Orders, according sanction for continuance annually.

(1) Government Resolution No.1028/49 dated 16-5-1953 - copy received under your No.22/32/2393 dated 27-5-1953.

Sub:- Continuance of forest lands granted to the Lamanies of Gulbal Tanda, District Bijapur.

Ref:- Your D.O.No.22/123/13153 of 17-11-1958 and this office D.O.No.C/867 dt.26/27-11-1958.

An area of 79 acres and 25 gunthas was granted in F.S.Nos.67, 68, 81, 82 & 66 part of Jadramakunti to the Gulbal Co-operative Society on agri-silvi basis and the Chairman of the Society - Shri Shiddunaik Lalunaik executed the lease on 16-1-1950. This area of 79 acres and 25 guntas has been distributed amongst 41 lamanis and full particulars in respect of these 41 lessees are furnished herewith in the statement enclosed for the purpose of deciding their cases in the matter of conversion of the area granted to them as Inforest settlement plots. The details of private land owned and the members of the family against each of the lessees are shown as per the reports of the Talati and Police Patil.

2. From the enclosed statement, itwill be seen that the lessees at S.Nos.1 to 11 are landless whereas the lessees at S.Nos.12 to 30 possee private lands of their own; but conversion of the forest area into Inforest settlement plots in favour of these lessees will not exceed the economic holdings. The cases of the lessees at S.Nos.1 to 30 are therefore recommended for being converted into Inforest settlement plots in favourof the lessees. It will however further be noticed from the statement, that the lessees at S.Nos.31 and 33 to 41 possess private lands of their own more than the economic holdings i.e., 16 acres of land. The lessee at S.No.32 however possesses private land to the extent of 15 acres and 5 guntas i.e. less than the economic holdings of 26 acres, but the conversion of the forest land granted to him as Inforest Settlement plot in his favour will result in exceeding the economic holdings as the total land would be 17 acres and 3 guntas (15 acres and 5 guntas - his private land plus 1 acres and 38 guntas forest area granted to agrisilvi). In view of the fact that all these 11 lessees viz. S.Nos.31 to 41, have also taken pains to bring the land under cultivation by spending approximately Rs.200.00 each and are in possession of the land for nearly 9 years, it is desirable that the land granted to them be converted into Inforest Settlement Plot in their favour. The lessees at S.Nos.33 to 36, 39 & 40 have stated that they have got their private land divided amongst their relations, but this has not appeared in the village records - kindly vide common statement of the 41 lessees dated 18-12-58 which is also enclosed.

3. The pertinent Agri-Silvi lease, required documents viz. statements of the lessees, panchanama, reports of the Talathi and Police Patil accompany.

v) In the old Mysore area where grantees of land have been given lease deeds under the old Land Grant Rules the lessees may be granted lands on permanent basis after recovering value etc., according to Rules, now in force.

I enclose a copy of letter No.VIII/FOP/CFL/1255(154)60-61 dated 9-5-60 from the Conservator of Forests, Belgaum Circle along with the connected papers on the above subject for kind perusal.

According to Bombay Government Resolution No.FDM 1055 of 3-10-55 the Forest areas granted for cultivation on Agri-silvi system to the scheduled tribes, scheduled castes and other tribes of nomadic type and which are under cultivation during the 3 previous years or more should be converted as "In Forest cultivation plot" provided conditions mentioned therein are fulfilled. The Mysore Government in their order No.AFD 73 DAR 57 dated 25-4-57 have extended these concessions to lessees belonging to other communities also. The cases of the applicants referred to in statement I and II of the file Sl.Nos. 1 to 30, come under the purview of the Government orders referred to above. Hence the Conservator of Forests recommends to convert these areas as "In forest settlement plots". But in the case of lessees referred to at Sl.Nos.31 to 41 the lands granted on Agri-Silvi System if converted as In forest cultivation plot would exceed their economic holdings. However, in view of the fact that they have taken pains to bring the lands under cultivation by spending about Rs.200/- each and are in occupation of the lands for the last 9 or 10 years he recommends to convert these areas also as In forest settlement plots and grant them in favour of the respective lessees relaxing the restriction of economic holding. I agree with the Conservator of Forest's and request you to communicate orders of Government for taking further action.

The connected records may kindly be returned when done with.

Yours faithfully,

sd/-

-/. Below Deputy Commissioner, Bijapur's No. EAD-SR-102/60 dated 20-11-1961 addressed to Government, Revenue Department through this office, regarding grant of lease hold lands, viz. Acres 79 and Gunthas 25 from F.S.Nos. 67, 68, 81, 82 and 66 of Jadrankunti in Bagalkot Taluka, to the Lamanis.

No. FOR-SR-1146,
Belgaum. 28-12-1961.

Forwarded with compliments to the Secretary to Government, Revenue Department, Bangalore with reference to his No. RD-145-LBM-60 dated 15-2-1961, agreeing with the Deputy Commissioner, Bijapur.

2. In view of the fact reported by the Deputy Commissioner, Bijapur that the holdings of the lessees mentioned at S.Nos. 31 to 41 of the statement at pages 195-199 of the papers, would not exceed the ceiling limit even after the grant of the lease-hold lands, the question of relaxing the limit of economic holding, as stated by the Chief Conservator of Forests in his letter dated 20-6-1960, does not now arise. The lessees who are already in possession of the lands for the last about 12 years and have spent money in improving the lands, may be granted those lands, as the Forest authorities have no objection in this regard.

Sub:- Continuance of Forest land granted to the Lamanis of Gulbal Tanda, Dist. Bijapur.

P.1

Ref:- Govt. letter No. RD-145 LBM-60 dated 15-2-1961.

Sir,

An area of 79-25 A-G from S.No.67,68,81,82 and 66 part of Jadrankunti was granted to the Gulbal Co-op. Society of Bagalkot Taluka on Agri-Silva term in 1950 for a period of 3 years ending 15-11-1953 and was further continued in their possession as per Government orders. Since the lessees have taken pains to bring the lands under cultivation by spending about Rs.200/- each [illegible] as they are in possession of these lands since last 10-11 years, the authorities of the Forest Department have recommended to convert the lands leased out to the lamanis, into " Inforest settlement Plots" in their favour. In the case of lessees mentioned at S.No.31 to 41 of the statement at pages 195 to 199, the Chief Conservation of Forest, Bangalore has recommended for relaxation of the restriction of economic holding of 16 acres, as their total holdings after grant of the forest lands in reference would exceed the above limit.

3. The Bombay Govt. RD Resolution No. LND-3953-V-B dated 20-8-1954 which lays down the restriction of economic holding has since been superceeded. Government lands are to be disposed of now in accordance with the new land Grant Rules contained in Govt. Notification No.RD-6-LAD-60 dated 21-12-1960. According to the provisions of new Rule 37-D of the LRRs, the extent of land to be granted to any person is to be such that the total extent of land held by such person, whether

[illegible] Rules for disposal of Govt. lands.

i.e. the B.L.R (Mysore Amendment) Rules, 1960 whether as owner or as tenant, after such grant, is not to exceed the ceiling area fixed under the BT & A L Act i.e. 48 acres. From the information available in col. 13 and 19 of the statement at pages 195 to 197 it is seen that in none of the cases this limit exceeds. The grant of land would thus be in conformity with the provisions of new Rule 37-O.

2. The Assistant Commissioner, Bagalkot has pointed out that there is a proposal to construct the Upper Krishna Project Reservior at Alimatti and that there is in this connection a proposal from the Superintending Engineer, L.I.C. Dharwar to reserve all available Government lands in the irrigable area for being granted to the villagers of sub-mergible villages. The lands of Gulbal village will be completely sub-merged under the said Project. The forest lands of Jadramkunti (which are proposed to be disposed of) are reported to be just near Gulbal village. The Assistant Commissioner had suggested that while passing final orders, the above facts may be taken into consideration. But in view of the fact that the lessees have been in possession of the plots for last 10-11 years and that they have spent some amount thereon, it appears that their claims for these lands cannot be overlooked. The question of reserving these plots may not arise. The request of the lessees may be considered favourably.

Papers of the case in one file accompany.

Yours faithfully,

for Deputy Commissioner, Bijapur
